LOCAL MATTERS.
WEATHER PROBABILITIES, May 20, 1882. For the Middle Atlantic States warmer partly cloudy weather with local rains, variable winds, mostly easterly, stationary or lower pressure.
FIRE LAST NIGHT. The alarm of fire last night about ten o'clock was caused by the burning of a frame shanty on Payne street, between Queen and Princess, occupied by two colored women, named respectively Madden and Winder. The whole north-eastern heavens were illuminated. The fire department responded promptly, but owing to the distance of plugs from the fire, buckets had to be used. The house in which the fire originated was totally destroyed, but the house adjoining was saved. The colored woman Winder, who was in bed at the time the fire broke out, became so frightened that she had a fit, and had to be dragged out of the house. Upon recovering, she wandered away and was found later in the night near the W. & O. R. R. depot in an almost nude state. She was taken to the station house, where she remained until this morning.
The horses attached to the Columbia engine on their way up King street at full speed came into collision with a large pile of bricks in the middle of the street in front of Mr. W. D. Hudson's drug store. Both of the horses one of them being thrown to the ground and the driver, Mr. Henry Posey, were slightly injured. The accident came near being a serious one, and the bricks ought to be removed at once, as they occupy nearly two thirds of the street.

TEMPERANCE. The meeting of the Reform Club last night was largely attended. Rev. Dr. Poulson delivered a lecture in answer to the resolutions adopted at the late meeting of the Temperance Association in Washington, declaring that beer drinking was conducive to real temperance, and D. J. Hoge, of Loudoun county, who was on his way to Charleston S. C., to attend the session of the Right Worthy Grand Lodge of Good Templars of the world, to commence that city Tuesday next, made some remarks.

THE WOMAN'S CHRISTIAN TEMPERANCE RAILROAD. The Union will hold a meeting at the Virginia-Midland Railway depot to-morrow afternoon at half past two o'clock.
An open air Gospel temperance meeting will be held at the corner of Cameron and Royal streets to-morrow afternoon at five o'clock.

THE SUNDAY LIQUOR LAW. The saloon keepers will be watched to-morrow by a committee of thirty, appointed by the several temperance organizations of the city to see that the Sunday Liquor Law is strictly observed.

MRS. C. L. ROACH, President of the District Woman's Christian Temperance Union, is expected to address the Union of this city Monday next at 4 p. m. in the Reform Club room.

THE ENTERTAINMENT LAST NIGHT.—The entertainment last night at Armory Hall, the cantata "Coronation of the Rose," for the benefit of the Alexandria Infirmary, was a most successful and pleasant affair. The audience was very large, the hall being filled to its utmost capacity. Prof. Heyman presided at the piano, and Mr. Wm. H. Daniel was musical director. Over forty young ladies were on the stage, all of whom performed their respective parts, both with credit to themselves and pleasure to the audience. Mr. A. N. Hurdle's personation of the sun-flower was very amusing. Hattie Avery, a little girl about five years of age, sang so sweetly the "Little Butter Cup" song, that she was rewarded with a beautiful bouquet, and compelled by the continued applause to repeat it. The "Coronation of the Rose," in the best hands, is neither beautiful in situations nor sparklingly musical, but notwithstanding this absence of showy parts, Miss Jennie Evans, as "Recluse," and Miss Flora Gregg, as "Rose," sustained their characters so well throughout the evening that they made a most favorable impression. Taken as a whole the entertainment, considering that it was purely amateur, was a very good one.

THE NEW ENGINE HOUSE.—The Finance Committee of the City Council and the officers of the Columbia Steam Fire Company, met last night at the Auditor's office for consultation on the new engine house question. Several propositions were made and discussed. One was to recommend to the City Council the turning over to the Columbia Company the Sun engine house. Another was to repair the house now occupied by the Columbia company. No definite action was taken on either of these propositions, and the meeting adjourned with the understanding that the Columbia company would meet to-morrow to consider the matter. The members of the Finance Committee explained to the officers of the Columbia Co. that the city was not in a condition at this time to expend \$2,700 for a new engine house, and that to meet the already existing demands it was more than probable there would have to be an increase of taxes. The Columbia company prefers, it is understood, remaining in the old house to going either to the Sun or Friendship enginehouses.

THE MARKET.—The market this morning was well supplied and largely attended, but there was very little change in prices. Early in the morning good butter was held at 25c per pound, but before nine o'clock, it was willingly sold at 20c. Strawberries sold at 20c25c per box, tomatoes 25c per box, new potatoes 60c per peck, old potatoes 50c per peck, cabbage 80c per head, asparagus 80c per bunch, rhubarb 30c per dozen, chickens 50c60c per pair, eggs 20c per dozen, fish 40c60c per pair, herring 12c per dozen, rock 40c per bunch, white perch 25c per bunch. Meats of all kinds continue unchanged, 20c25c per pound.

LIBELS REMOVED.—Mr. Lambie, of Washington, one of the parties who had Capt. Conway, of the schooner R. P. King, arrested Saturday night last, on the charge of embezzlement of two thousand dollars, came here to-day and removed, by the payment of the bill, the libel placed on the vessel by the mate for wages due to the amount of \$24; he also removed the libel on the vessel for \$2,000, by the payment of costs, and paid off and discharged the crew. Mr. Lambie says that he and his friends had no idea of prosecuting Capt. Conway for embezzlement, as they did not wish to injure him, and that they informed the captain that if he could raise \$2,500 they would willingly sell the vessel back to him for that amount.

A PLEASANT AFFAIR. A surprise party was given to the Misses Emma and Hattie Hill, at the residence of their father, Mr. John T. Hill, on Lee street, last night. The company, numbering about thirty, after spending a most pleasant time—music and dancing being the principal features of the entertainment—was invited into the spacious dining room, where refreshments were served and greatly enjoyed. After a full discussion of the handsome and abundant spread of the "good things of this life," the parlors were again thronged and the pleasures of the evening continued.

SALES TO-DAY.—Messrs. R. T. Lucas & Co., auctioneers, sold to-day in front of the hotel house on Royal street, six lots on the South side of Duke street, between Alfred and Patrick streets, for John W. Henderson, special commissioner, as follows: The lot on the corner of Duke and Patrick streets to John Lannon for \$225; the four lots adjoining to J. T. Nalls for \$160 each, and the sixth lot, with a blacksmith shop thereon, to Joseph E. Chumney for \$925.

FINE FLOUR.—The "Snow Flake" brand of flour made by the new process, at the Triad Mills (Cloud's old mill) near this city, is as white and light as its name indicates. Mr. J. T. Shaw, the proprietor of the mills, is a thorough and experienced miller and has succeeded in getting his flour to stand second to no brand in this market. The bread made from it is as white, flaky and delicious as any could be.

READ THIS—A FINAL NOTICE.
The time allowed for the collection of City Taxes for the year 1881, is limited to the 31st day of May, 1882. Such bills as are then in the hands of the Collectors unpaid will have to be settled for by those charged with their collection. During the past three (3) years the law against the Collectors has been rigidly enforced, and they have been made to pay a large number of bills. Those who have not as yet paid their taxes for this year have been called upon from time to time and urged to do so. The request is once more made, and it is hoped they will come forward at once and settle, as there can be no escape for any one, and further indulgence will not be granted. No further notice will be given. Room 6, Market Building.
